Church 3.0
Upgrades for the future of the church

Neil Cole,
Jossey-Bass, Leadership Network, 2010

church 1.0

Jerusalem Church 1.0
Antioch Church 1.1
Galatian Church 1.2
Corinth Church 1.3
Ephesian Church 1.4

church 2.0

Constantine 313AD – Christianity when from the margins to the mainstream and everything changed. This was the shift to 2.0 and all its eventual variants. In spite of the differences, the institutional system remained mostly unchanged.
Priests or pastors,
Weekend service with singing and a sermon
Weekly offering
Pulpit with pews
Church building
Lots of patches and plug-ins but basically the same platform

church 3.0

Cannot go back

In times of change, learners inherit the Earth
