

# What we Value

## Wisdom for Living

Weekly 8 and 11am services allow you to hear messages from the Bible that have the power to transform your life and relationships for the better.

## A Community of Grace & Hope

We believe God loves all people, so people of every background, race, age and bank balance belong and feel at home here.

Regular Connection events like picnics, fun social evenings and sporting events, shared lunches, etc are some of the ways we enjoy friendship together.

## Being Healthy and Happy

Studies have shown that a healthy diet, combined with exercise, rest and trust in God result in happier and longer lives! In fact Adventists are one of the most studied groups of people when it comes to lifestyle and longevity!

Consider benefiting from Complete Health Improvement Program, our Fit for Living Class, or general tips on healthy living.

## Healthy, Happy Children

We are committed to raising the next generations to live and share their Christian values, learn social and leadership skills, and to make a positive contribution from an early age. For this reason we seek to involve, engage and mentor our kids.

*“Since I first started coming here, I’ve been getting to know God better - and my life has changed!” - Bryan*

**A place for kids to learn true Values**

Explore the Sabbath Schools with weekly programs for Toddlers, Kindy Kids, Primary and Junior ages, or monthly Adventurers for 4-9yrs.

**Weekend & Midweek Bible Groups**

Life groups are a great way to meet new people, share the highs and lows of life with others, and benefit from group study and prayer.

**Intergenerational Community**

Experience belonging to a large and diverse ‘family’ of all ages, and backgrounds, and each age group benefits from the others.

**Find a relationship with God**

Discover what the Bible says about a relationship with God and consider exploring a new spiritual journey of your own.

**Make a Difference with us**

As a church we believe in making a difference in the communities of developing nations. Each year over the past decade we have sent numerous missions to Cambodia - where we helped to build a community training centre, and to Mongolia, where we helped to build six new community centres.

These are now being used to actively promote education on a range of topics, from basic health and hygiene, to more advanced education and training.

**Don't do Life Alone!**

Life is too short to do it alone! Connecting with others in a meaningful way can lead to a greater sense of purpose and direction in your life - not to mention new friends and ‘family’.

Benefit from the wisdom in God’s Word - the Bible through weekly services, weekly life groups, children’s programs and our free resource library.
